

## ISSUES TO BE CONSIDERED BY CANDIDATES IN APPLICATION

1. All application procedures will be made online.
2. At the application stage for graduate programs, candidates who are able to graduate until the final registration date will not be required to have a diploma or graduation certificate.
3. If undergraduate and graduate program graduates applying to graduate programs do not have a grade point average in the 100 point system in the transcript they receive from the institutions they study;
  - a) Provided that it belongs to the graduation period of the candidate, a 100 point system conversion chart approved by the relevant institution is accepted.
  - b) If the grades given according to different systems in the transcript have a description range according to the 100 point system, the lower limit of the interval is accepted as the initial value and converted into a 100 point system.
  - c) In the absence of the above-mentioned documents, the Higher Education Council's (YÖK) "Equivalents of the 4 point System in the 100 System" chart is used.
  - d) Ege University grade conversion table is used for graduation grades in the system of 20 and 5 points of undergraduate and graduate program graduates applying to graduate programs.
4. **ALES results** are valid for **five years** from the date the exam results are announced.
5. **YDS, e-YDS, YÖKDİL exam results** are valid for **five years** from the date of their exam.
6. Ege University School of Foreign Languages Post Graduate Foreign Language Exemption Exam results are valid for **3 years**.
7. Candidates can apply to 1 single-disciplinary graduate program, 1 multi-disciplinary graduate program and a non-thesis master program at the same time.
8. The provisions of the E.U. Postgraduate Education and Training Regulation are applied in the application and registration acceptance procedures for graduate programs. In cases that are not included in these provisions, the Council of Higher Education Graduate Education and Training Regulations and decisions, the decisions of the E.U. Senate and the decisions of the Board of Directors of our Institute are applied.
9. Since the candidates are responsible for entering the information of the candidates completely and correctly, the registrations of those who make false statements and upload documents are canceled and legal action is taken against them.
10. At the application stage, candidates who are able to graduate at the end of the semester will not be required to have a diploma or graduation certificate.
11. Applications by post will not be accepted.

Placement scores are not calculated for candidates who do not take a written scientific evaluation and / or interview, or whose written scientific evaluation and / or interview score is below 50 for master's programs and below 60 for doctoral programs, and candidates are deemed unsuccessful. The relevant department is obliged to announce the written scientific evaluation results to the candidate.

In the case of both written scientific evaluation and interview, first written scientific evaluation and then an interview will be conducted, and the candidate who does not participate in the written scientific evaluation and / or fails the interview is not included.
